網站:<https://zoom.us/download>

The screenshot shows the Zoom website's download center. At the top, there is a navigation bar with the Zoom logo and links for "解決方案", "方案與定價", "聯絡業務人員", "加入會議", and "主持會議". Below this is a light blue header with the text "下載中心" and a link for "IT 管理員專用下載連結". The main content area features the heading "Zoom 會議用戶端" and a paragraph explaining that users will be automatically redirected to the Web browser client when they start or join a Zoom meeting, but they can also manually download it. A prominent blue "下載" button is visible, along with the version number "版本 4.6.6 (17964.0224)".

# 第一步:Android手機版本

在google play store  
中搜尋zoom

The screenshot displays the Google Play Store interface for the Zoom Cloud Meetings app. At the top, the Google Play logo and a search bar are visible. Below the logo, there are navigation options: '應用程式' (Applications), '我的應用程式' (My Applications), '購物' (Shopping), '遊戲' (Games), '家庭' (Family), and '編輯精選' (Edit Selections). The main content area shows the app's details: the Zoom logo, the title 'ZOOM Cloud Meetings', the developer 'zoom.us 商業', and a rating of 4.5 stars from 89,947 reviews. A green '安裝' (Install) button is prominently displayed. Below the app information, there are two preview images: one showing a laptop screen with a Zoom meeting in progress, and another showing the Zoom mobile app interface with a group chat. At the bottom, a short description of the app is provided.
